Audition Monologues

During auditions each actor will be asked to read one of the following monologues. Also, if the actor is trying out for a main singing role, they will be required to perform a one minute acapella solo of their choice.

MONOLOGUE 1:

“Look at me! Look at me! Look at me NOW! It is fun to have fun But you have to know how. I can hold up the cup And the milk and the cake! I can hold up these books And the fish on a...rake! I can hold the toy ship And a little toy man! And look! With my tail I can hold a red fan! I can fan with the fan As I hop on the ball! But that is not all. Oh no. That is not all...
woah! woah!”

MONOLOGUE 2:

Congratulations!
Today is your day.
You're off to Great Places!
You're off and away!

You have brains in your head.
You have feet in your shoes
You can steer yourself
Any direction you choose.
You're on your own. And you know what you know.
And YOU are the guy who'll decide where to go.

MONOLOGUE 3:

You'll look up and down streets. Look 'em over with care.
About some you will say, “I don't choose to go there.”
With your head full of brains and your shoes full of feet,
You're too smart to go down any not-so-good street.

And you may not find any
You'll want to go down.
In that case, of course,
You'll head straight out of town.

MONOLOGUE 4:

BRING IN A MONOLOGUE OF YOUR CHOICE.
