2027 SEASON SPONSORSHIP OPPORTUNITIES

Dear Community Business Partner,

Arts in Motion Theater Company is excited to invite local businesses and community partners to become sponsors of our 2027 Season and to be part of an exciting new chapter in the life of our theatre company.

In October 2026, Arts in Motion will proudly open the doors to our brand-new Scene Shop & Studio - giving our organization, our performers, and our community a permanent home and a creative space in which to grow.

This new facility is more than a scene shop. It will allow Arts in Motion to create a true one-stop home for the performing arts, where creativity, education, performance, and community come together.

With this new space, we will be able to:

- Expand our offerings of youth theatre camps, as well as dance classes, workshops, and other opportunities for youth, teens, and adults.
- Provide a dedicated home base for rehearsals, auditions, classes, and creative development.
- Create additional opportunities for local performers, artists, educators, and technicians.
- Design and build intricate, high-quality sets for our theatrical productions.
- Utilize our outdoor event space for unique community experiences including cabarets, sing-along movie nights, and other special events.
- Build stronger connections between local businesses, families, artists, and our community.

We are incredibly excited about what this next chapter means for Arts in Motion and we would love for your business to be part of it.

WHY SPONSOR ARTS IN MOTION?

When you sponsor Arts in Motion, you are doing more than purchasing an advertisement. You are investing in your community. Your sponsorship helps make it possible for us to provide meaningful arts experiences for children, teens, families, and adults while creating opportunities for local artists and performers.

Your support helps us:

CREATE - Build beautiful, imaginative theatrical environments and productions.

INSPIRE - Give young people a place to discover confidence, creativity, collaboration, and self-expression.

EDUCATE - Expand access to theatre, dance, acting, and other performing arts education.

CONNECT - Bring people together through live performance and community events.

GROW - Build a sustainable performing arts organization with a permanent creative home.

And in return, your business receives meaningful recognition in front of our audiences, families, performers, and community supporters.
